EXTRACT FROM HITLER'S SPEECH CONCLUDING THE  
REICHSPARTEITAG, 3 SEPT. 1933

"But long ago man has proceeded in the same way with his fellowman. The higher race--at first 'higher' in the sense of possessing a greater gift for organization--subjects to itself a lower race and thus constitutes a relationship which now embraces races of unequal value. Thus there results the subjection of a number of people under the will often of only a few persons, a subjection based simply on the right of the stronger, a right which, as we see it in Nature, can be regarded as the sole conceivable right because founded on reason. The wild mustange does not take upon itself the yoke imposed by man either voluntarily or joyfully; neither does one people welcome the violence of another."
