MEMORANDUM for Mr. Justice Jackson

FROM Commander Donovan

SUBJECT World Opinion Analyses

1. The attached are regularly forwarded by R & A for the information of the General and me as a sort of horseback view of world opinion; I asked Bill whether you would be interested in scanning them and he told me to send them to you.

2. Since General Donovan hasn't seen them, I'd appreciate your returning them after you're through, for him to read. If you would like them for your permanent files, I'll send them back to you.
