Interrogation of . . . . . KALTENBRUNNER, Ernst  
By . . . . . Lt. Col. S. A. Brookhart  
Time . . . . . 9 November 1945, PM

On request of Colonel Hollers, an affidavit had been prepared on the basis of Kaltenbrunner's former interrogations and statements. This was submitted to Kaltenbrunner for signature but he said it was not correct and refused to sign it. He again referred to his statement given in London concerning Concentration Camps and again proclaimed next to complete ignorance about such camps or conditions under which they operated.
