MEMORANDUM

TO: Comdr. James B. Donovan
FROM: Gibbs L. Baker
SUBJECT: Connection between Black Reichswehr and
German Industrialists

Attached is an excerpt ^{in triplicate} from pages 20-24 of a pamphlet by Otto Lehmann-Rüssbüldt entitled "Aggression" published in 1942 by Hutchinson & Co., Ltd., London, England in the "Fight for Freedom" series.

Attached excerpt includes affidavit by Gottlieb Schwarz dated 30 August 1924 at Frankfort on Main, showing direct support by German Industrialists of German secret rearmament during the days of the Republic. Since this affidavit may be very useful in the forthcoming prosecution, the original should be sought in Europe through the author and publishers of the pamphlet.
