

OFFICE OF US CHIEF OF COUNSEL
APO 403, US ARMY
INTERROGATION DIVISION

Nurnberg, Germany.
27 October, 1945.

Brief of
Interrogation of Admiral HORTHY
by

Major J.J. Monigan

26 October, 1945.

It was a brief interview in which two letters from Admiral HORTHY's family were delivered to him and in which he submitted a paper in response to an outline given him at the last interrogation. The paper is now being translated and was concerned with his knowledge of Hitler's activities immediately preceding the outbreak of the war.
